Ski pe ghetarul M&#65533;ltal
Publicat de Swamp - 31/07/2009 15:12
_____

Anul trecut in perioada 01.12.08 - 07.12.08 am petrecut o saptamana in Austria la ski pe ghetarul Molltal. Am gasit cazare foarte ieftina, adica 92 euro pe noapte intr-un apartament cu 2 camere pentru 6 persoane, 2 bai sufragerie si bucatarie complet utilata. Am luat un apartament de 6 persoane chiar daca noi eram doar 5, am iesit cu cativa euro in plus pe cap dar de departe a fost cea mai buna alegere.

Plecarea s-a facut din Oradea cu 2 masini, drumul a fost destul de lung am si luat o amenda pentru viteza in ungaria de 100 euro :angry: .

Cazare am avut cam la 20 km de trenuletul care te urca pe ghetar, mai exact in localitatea Mallnitz un orasel superb mai ales in peisajul de iarna.

Ski pass-ul ne-a costat 155 euro pe 5 zile cu acces pe mai multi ghetari aflati in apropiere, noi am stat doar pe Molltal, avand si incepatori la ski ne-au ajuns partiile de pe molltal.

Recomand tuturor impatimitilor de ski aceasta zona, se gaseste cazare la preturi rezonabile, alimentele sunt si ele la preturi bune, in cazul in care va cazati si aveti acces la o bucatarie va recomand sa va luati mancarea tot din Austria, nu are rost sa fie carata de acasa preturile sunt cam aceleasica la noi.

Aveti mai jos un link la o galerie foto personala cu pozele facute in Austria pe Molltal.

 Poze Ski Austria Molltal

<font size=-1>
Tube toolbox commenter - No agency can deny it. YouTube marketing has opened up whole new doors in advert opportunities . Online instruments are the biggest resources societies have to reach a huge audience at the same time, and the more expensive the audience is, the better the tool. Social webs like Facebook and Twitter have profited marketers' recognition as advertising outlets, but YouTube is close behind in terms of trial and allows businesses to market their products through online video. As new add ons are supplied by YouTube daily, the opportunities never cease!.
Reasons for YouTube Marketing.http://www.youtube.com/watch?v=jbnq2UeB8PU YouTube Tube Toolbox commenter and friend adder is perfect tools for YouTube marketers. This YouTube bot and friend adder saves a lot of time. You already know all the causes to bring your marketing tries to YouTube. You have the ability to market directly to your audience through video format while linking up with them during comments and channels. YouTube has a variety of sharing options such as those you would view on a blog or social network. YouTube exploiters can share videos through Facebook, Twitter, email, and multi other internet masses medium. This function is perfect for loyal customers to share their success with a company with the click of the mouse pad. And your goal is to make sharing company success easy, right?.
YouTube also now has a feature named "realtime updates." With this characteristic, companies are witnessing

YouTube move toward a online communities direction , making promises bright for directly linking up through YouTube with clients. Another incredibly useful feature for marketers is YouTube's Insight Statistics and Data on videos. This allows you to keep track of how many views your video receives, the success rate of your video's message through ratings, and basic viewer demographics. And guess what? It's free.
Through YouTube, people also have the power to comment on videos. The entire point of marketing is to interact in with viewers in a way that brings product lines and people together! Online, people have no problem speaking their mind. When viewers comment on videos, marketers automatically get honest replies over the current videos and pick up ideas for novel ones.
